

Hello Again from Grace Baptist!!

Time continues to march on. As we continue through the year 2017 (quickly marching toward 2018), we want you to know that God is still on the Throne and He is still in control!! Genesis 8 : 22 says "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease." Please join us as we praise God because of His Majesty!! The passage of scripture quoted is from the time frame when Noah and his family were able to leave the Ark and their first recorded act was to praise God – and this is God's response to them and also to us!!

School is now back in session for most and the weather will soon be getting cooler – and God continues to bless Grace Baptist with even more additions to the family of God as well as to our Grace family!! The Baptismal waters have been stirred throughout the summer months as even more of God's children come forth to publically proclaim the name of Jesus as their Savior. Recognizing your need for Jesus in your life has no age barrier – please visit us or contact the church if you are not sure if your name has been written in the Lamb's Book of Life (the answer to the question "is Jesus your Savior").

Another wonderful note to mention is that AWANA has come to Grace Baptist!! We meet on Wednesday evenings starting at 6:45pm in the Kidz Building. Right now we are focusing on Sparks and our T & T Groups (with the expectation of quickly growing our groups to welcome more children)!

We are still studying the Book of Revelation during our Wednesday evening gatherings and it is not too late for you to join us as we take our study verse by verse (and sometimes even word by word) being sure to listen to any question that may come up. The Book of Revelation is a testimony that Jesus is alive today and that one day He will be coming back!!

To God be the Glory,

*Bro. Brian*
