

Time marches on. As we continue through the year 2017, we want to share how God has already been blessing us beyond measure here at Grace Baptist. The Lord has blessed us with the birth of a beautiful baby girl into a wonderful family. Several of our members are praising God for His healing mercies. And, we have been blessed with several new and returning visitors and family members – and this is all in the first few months of the year!

The month of March finds us starting the studying of the chapters from the Book of Revelation during our Wednesday evening gatherings while our Kids continue with their own exciting study of God's Word. Our Sunday Morning series is focused on "God's Love and how I am able to apply it to my life". We here at Grace invite you to join us or to contact the Church office if you would like more information concerning our current and future activities and events.

As we continue throughout this year, I would like to invite you to join us Sunday, April 16 as we Celebrate the Risen Savior. We will start our day around 7:00am with a special Son – Rise Service (followed by breakfast and fellowship) at the home of Travis and Kathy Henderson (please contact the church at 903-680-2262 for directions). Then at 10:00am we meet at the Church to continue our Celebration of the RISEN Savior. Jesus died a painful death on a wooden cross for sins He did not commit. Yet while He was willingly on that cross, He asked for the forgiveness of others even as His own life was slipping away. Being declared dead, His body was placed in a borrowed tomb with guards being stationed at the sealed entrance – little did those guards know that it was not those that thought they were to try and keep from getting in that would change the world. On the day that the Resurrected Lord revealed Himself, our lives were literally changed for all eternity!

Jesus is alive today and one day He will be coming back – not as a little baby – but as the mighty King that He is. Jesus came to save us all from all sin and it is our hope and prayer that you join us as we open His Word and worship Him.

To God be the Glory,

Bro. Brian
